Message To The Parents-

Dear Parents and Guardians

I am very happy to inform you all that we have started Parent Teacher Association E-Newsletter called VIBGYOR which will be published quarterly. This will be a platform wherein you can come across various school activities and be proud of the achievements in various field.

A big thank you goes out to you and your family members in supporting the school in carrying out different activities and your valuable presence to witness many of the school activities. I appreciate the efforts of the parents who struggle a lot to make their children ready for the school and moreover drop them to school in time without a single late mark in the school Diary. You have taught your child 'Punctuality' who will be never late in future.

Parents are most welcome to write some articles and send it on our school mail Id in English / Marathi / Hindi which will be published in the coming Newsletter.

Your children are the Pillars of VPNEMS and so we want that Reading habit must be inculcated in them. Every student must read at least one book in a month. Parents can later have a discussion about the book in the various forms. Slowly your child will be curious and will develop interest to read on and on and on. Enable them to make friendship with the books.

Expecting once again your co-operation in the coming mega event 'P.T. Display Pro gramme' which is scheduled on 19th December,2017. Maximum students will be participating and making the event a colorful one. Your gracious presence for the event will be highly appreciable.

Wish you all a very Happy Peaceful & Healthy New Year!!!

Warm regards
