ROBO Wizard Education

Children need to explore and to discover .This is how you innovate. Students at every age should be encouraged to think deeply so that they have the chance to become innovators, educators and leaders who can solve the most pressing challenges facing our future. STEAM (Science, Technology, Engineering, and Art & Mathematics) inspires students to think more broadly and to solve problems with a hands on approach. By introducing students to STEAM at a young age, it cultivates progress from project -based learning through collaborative exploration, to problem -based learning which focuses on real -world problems.

Personality Development and Communication Skills for Teachers

Everyone is born unique, we all possess traits that set us apart and these traits define who we are & how we respond to situation. To enhance ourselves we only need to spot & elevate that possibly yet dormant inclination or aptitude. This is where personality development becomes essential in the modern professional world.

On 19th July 2019, teachers attended a workshop on Personality Development & Communication Skills by Mr. Dnyaneshwar Jadhwar. He Started by discussing how a person gets quickly judged on the basis of appearance & non verbal Communication. The main objective of the workshop was to develop human being's brain & body with help of art.

Educational Movies

Movies are also a great educational resource for helping students to understand school material outside of the classroom environment. So, educational movies such as Ganvesh, Astro Boy, and The ROBOT Dog were shown to the students as a part of edutainment. Learning through media movie students enjoyed a lot.

Investiture Ceremony

Students of Std VI to X voted online to the eligible candidates and elected the candidates for the student's council. Master Prajwal Nanaware and Miss. Sakshi Bhapkar were elected as a Head boy and a Head girl respectively.

The last year's student's council candidates were appreciated with medals and certificates for their sincere work and newly elected students council members were conferred with badges by the School Principal. All the students' council members took oath to bestow their duties to the best of their abilities led by the Principal.

International Yoga Day

Students of Std V,VI and VII participated actively in the programme comprised of a yogic prayer followed by a speech about the significance and origin of Yoga.

Teachers of Baramati Jivanvidya Yog Ayurveda foundation Mrs.Pratiksha Lodha, Mrs.Dipali Patil and Mrs.Pooja Ghorpade demonstrated various Asanas in a Scientific and systematic ways, which are beneficial to overcome Stress, Stiffness, Anxiety, improve concentration and combat obesity.
