The winners were awarded with trophies and gifts by Mahadev Patil the Vice President of Parent Teachers Association, Praveen More-Secretary; Parent Representatives provided valuable assistance in organizing the competition.

Science, Art & Heritage Exhibition

Preparing for Science, Art & Heritage exhibition is an excellent example of what education experts call active learning. School organized Science, Art & Heritage Exhibition on 28th February wherein students showcased Static & working models which can be used for learning various scientific concepts for children from Std I to IX.

In the exhibition 128 exhibits were displayed which were still models, working models, charts to present their topics. Parents & students participated in Rangoli competition under the topic of Space technology. The experiments & projects were incredibly interesting to the audience as they all related to what children use or come across in daily life. Principal Mrs. Joysey Joseph & chief guest Mr. Sunil Potekar appreciated & motivated students in doing much more which would help them in their future endeavors.
