STEAM EXPO 2022-2023

STEAM (RWE) (Science, Technology, Engineering, Arts and Mathematics) Expo was conducted at School in collaboration with National Academy of Science and Creative Arts(NASCA) on 11th Feb'2023 in the **School Auditorium**. The inauguration of the STEAM Expo was done by the hands of Hon.Shri Siddharth Mathur Sir, PTA members, NASCA Team & Parents were present for the same.

135 students participated in the Expo with 37 distinct projects. The students of VPNEMS revealed a glimpse of themselves as the young innovators, problem solvers, leaders and learners of the 21st century. All the projects were equipped in such a way that eliminated limitations & replaced them with wonder, critique, inquiry and innovation. RWE teachers along with the NASCA team members Keval Shah & Rajasi Tambe guided the students.

Parents praised the students for their technical knowledge & unique projects. They appreciated the school Principal Joysey Joseph Madam for motivating the students to develop a holistic learning experience. The guidance and support of Vidya Pratishthan's management has helped the school to arrange such a unique Expo.

Science, Art & Heritage Exhibition

On account of Science day Science, Art and Heritage exhibition was organized in school auditorium. To acquire knowledge about the scientific logistics behind the daily innovations, 129 students from Nursery to std IX presented 72 projects under the theme "Sustainable Development Goals". Heritage exhibition was based on change in human life in ancient, Medieval and modern periods of history. Art Exhibition manifested the creative and innovative attitude of student's to make best out of waste through the miniatures of musical instruments, Flower pots, wall hangings and the extraordinary paintings. The exhibition was inaugurated by the Principal Mrs.Joysey Joseph, the School head boy and head girl.
