

Heartiest Congratulations to STD 10th Toppers

This year 2025-26 total 83 students appeared for the SSC State Board Examination. Students of Vidya Pratishthan's New English Medium School achieved remarkable success, adding to the prestige of the school and the institution. Continuing its tradition, the school has once again achieved a 100% result in the SSC Board examination this year. Two students got 100 out of 100 marks in Sanskrit namely Sampada Sunil Potekar and Tanvi Manoj Gound. Notably, many students also received additional grace marks for their achievements and participation in arts, sports, Scout-Guide activities, State-Level Awards, and the National Jamboree camp.

- Tejal Shankar Nale - First Rank - 98.40%
- Tanvi Manoj Gound - Second Rank - 96.60%
- Sampada Sunil Potekar - Third Rank - 95.80%
- Sarthak Sandip Balgude - Third Rank - 95.80%

First day at school

The first day of school is the most memorable day in everyone's life. It feels completely different for every child. For new students, the morning can be scary. They arrived in neat and tidy uniforms, holding their new school bags and lunchboxes with tears on their faces. In their small minds, they wonder why their parents are leaving them behind, who the new teacher is, and why all the other kids are crying so loudly. But for children who are already used to school, the day is full of fun. They run around happily, hug their old friends, and talk about their holidays. This mix of tears from the little ones and smiles from the older kids makes the first day of school a very special day for everyone.

Investiture Ceremony

The Investiture Ceremony is one of the best day for students. On this day, students officially take charge of the responsibility. In this process at first students are invited to nominate their name for prefects, Head girl and Head boy position. Selection is

done based on interviews of students by our principal ma'am. Total 27 House prefects and house vice-prefects are there in the Members of the Student Council. This year Aradhya Sonawane is selected as Head Boy and Sarangi Karande is selected as Head Girl.

PTA Executive committee members

A student truly succeeds when parents, teachers, and students work together as equal partners. Real education goes beyond good grades. It is about helping children grow into confident, well-rounded individuals. Strong teamwork is essential

to make this happen. Our Parent-Teacher Association plays a vital role in our school by inviting parents to share fresh ideas, help make key decisions, and take an active part in school events.

Following is the list of Executive Committee Members

Trainings and workshops

Preventing Gender Based Violence Through Gender Based Pedagogy

Our Principal ma'am, Mrs. Joysey Joseph conducted a workshop on "Preventing Gender-Based Violence through Gender Responsive Pedagogy" at VPNEMS, Baramati. Core Motto of this session was "Let's educate. Empower. Prevent. Together for a safer, more inclusive future."

The framework operationalizes mandates from SDG 5, NEP 2020, and the FAWE Toolkit into daily teaching routines.

Gender Responsive Pedagogy (GRP) removes unfair biases to keep all students feel safe and engaged in school. Teachers put this into practice by mixing classroom seating, removing stereotypes from learning materials, giving everyone equal chances to speak and lead, and stopping hurtful teasing instead of brushing it off as a joke. Success is then tracked through equal student participation, balanced leadership, better attendance, and improved overall safety.

The poster is for a workshop titled "WORKSHOP ON PREVENTING GENDER-BASED VIOLENCE THROUGH GENDER BASED PEDAGOGY". It features a portrait of Mrs. Joysey Joseph, Principal of Vidya Pratishthan's New English Medium School, Vidyanagari, Baramati. The school is ISO 9001:2015 Certified and has CPG and JAS-ANZ certifications. The workshop is scheduled for 13th June 2026 at 11:00 AM in the School Library. The poster includes a purple ribbon symbol and a tagline: "Let's educate. Empower. Prevent. Together for a safer, more inclusive future."

Financial Literacy Education Workshop

VPNEMS organized an insightful Entrepreneurship and “Handmade Soap Making Workshop” as part of its Financial Literacy Education Programme on July 30, 2026. Held in the school auditorium for students of Classes IV to VIII, the session was conducted by young entrepreneur Ms. Anvi Sawant, Founder of Bubble & Bloom Co. The event was graced by Mrs. Sangita Gaikwad, Principal of Vidya Pratishthan’s College of Education, along with School Principal Mrs. Joysey Joseph, who felicitated the guest speakers. The workshop aimed to introduce students to financial literacy, creative product design, branding, and turning personal hobbies into income-generating opportunities. During the session, Ms. Anvi shared her journey of starting a business after being inspired by young artisans at the Bhimthadi Jatra in Pune. She showcased various handmade soap creations—including Rose

Petal, Aloe Vera, Dragon Fruit, Rainbow Donut, and Sleeping Teddy soaps—while explaining ingredients, attractive packaging, and effective product marketing.

Financial Literacy Education Workshop

A Financial Literacy Education Workshop was successfully organized at VPNEMS on 21 July 2026 to create awareness among school students about the importance of financial planning and responsible money management. The workshop was conducted by distinguished resource persons Prof. Dr. Amar Bharat Bhosale and Prof. Mrs. Kanchan Khair.

PTA E-newsletter Closing Remark of the Edition

Sustainable Development Goals are a set of 17 global targets adopted by all United Nations member states in 2015 to create a better and safer world by 2030. In our school, we are implementing SDG-5 – “Gender Equality”.

Gender equality is not only a fundamental human right, but a necessary foundation for a peaceful, prosperous and sustainable world. There has been progress over the last decades, but the world is not on track to achieve gender equality by 2030. Women and girls represent half of the world’s population and therefore also half of its potential. But gender inequality persists everywhere and stagnates social progress.

This academic year, our school's vision centers on promoting **gender equality**. To bring this vision to life, students are actively engaged through diverse initiatives, including group discussions, awareness rallies, special assembly themes, and ensuring equal representation of all genders in competitions, events, and workshops. Furthermore, this year's awareness campaign expands through creative board decorations, expert-led workshops, and monthly activities rooted in **Gender Responsive Pedagogy (GRP)** for students in grades 3 to 8.

The GRP focus is on

- ✓ Equal physical space, non-gendered daily duties, emotional literacy, breaking toy/play stereotypes.
- ✓ Unbiased interaction, counter-stereotype, story literacy, non-gendered STEM roles, shared home math.
- ✓ Classroom governance, textbook audits, cardboard engineering, valuing unpaid care work.
- ✓ Data collection on school spaces, domestic labor economics, hackathons, peer mentorship.
- ✓ Facility rotation, advertising critique, STEM structured assembly, peer mediation circles.
- ✓ Institutional, governance, campus policy drafting, macro labor economics, and digital media critiques.
